**AL-ANON SPOKEN HERE....**Join our weekly support meetings to hear others discuss how they deal with the alcoholics in their lives. Al-Anon’s simplicity is reflected in the tools of the program - the Twelve Steps and Twelve Traditions, the Serenity Prayer, slogans, sponsorship, Conference-approved literature, the FORUM magazine and the special gift of Al-Anon/Alateen members sharing from their hearts. Anonymity of all members is a priority for us. That means not revealing to anyone what we hear or whom we see at meetings. Stop in for just one meeting to see what we’re all about - you’ll be glad you did! Meetings are every Wednesday night from 7:30 to 8:30 in room 109 of the Family Education Center.

## INTERNATIONAL DAY OF PRAYER...Next

Sunday, November 13<sup>th</sup>, is the day of prayer for the persecuted Church. Christians in many countries (China, Indonesia, Pakistan, Sudan, Nigeria, to name a few) are attacked, arrested and imprisoned; their houses and churches burned. In spite of the persecution, they remain faithful to Christ's command to share the Gospel. Most of these governments have laws supporting religious freedom, yet they either "look the other way" or sanction attacks against Christians. Please remember our faithful brothers and sisters in your prayers for they have, as one write put it, "the faith to lose it all, even the faith to love their enemies." May we, the Western Church, be one with them in the Holy Spirit, being encouraged by their example so that we, too, will be unashamed of the Gospel of Christ.

## What is an Archangel?

Isn't an archangel an angel who fell from grace and went to hell? I am not sure, but isn't that the story of how the Devil became the Devil? I am confused as we say a prayer to Saint Michael the Archangel in church, so what exactly is an archangel and was the Devil ever an angel at all?

*Maria*

### **Dear Maria,**

There are nine choirs of angels in heaven. They are: seraphim, cherubim, thrones, dominations, principalities, powers, virtues, archangels, and angels. These names appear at various places in the Bible. In some instances, they have particular tasks.

Satan was an archangel whose name was Lucifer. Lucifer means light bearer and Jesus refers to his fall from heaven. Saint Michael was an archangel who fought against Lucifer. Lucifer challenged the dominion of God. Saint Michael, whose name means "Who is like God?" challenged Lucifer and assisted in his fall from heaven. Lucifer wanted to be God and Michael is a reminder that no one is like God.

We traditionally pray to Saint Michael for protection from evil. The fact that Lucifer was an archangel does not mean that all archangels are devils. You may say the prayer to Saint Michael with confidence. At one time it was quite common to pray this after Mass. I hope you find the prayer helpful. You also have a guardian angel to help you in times of trouble. You can also say a prayer to your guardian angel for help.
